

## **MOTORK SECURES €5M LOAN FINANCING**

**LONDON – October 27, 2023** – MotorK Plc (AMS: MTRK), the leading Automotive SaaS Solutions Provider, has secured a €5 million facility agreement with Atempo Growth. This funding will bolster MotorK's innovation initiatives, expand market presence, and support the development of cutting-edge solutions for clients.

The facility has a maturity of 48 months and an initial interest-only period of 12 months and includes security arrangements. The facility limits future distributions under certain conditions, which is in line with past practice, where no cash dividends were paid, and with earlier communications stating that paying dividends was not foreseen in the near future.
